

*26th Mustelid Colloquium*  
*28-31 August 2008, Budapest, Hungary*

**Third Circular**

*Dear Colleagues and Friends,*

**We are just turning into the straight, only two short months, some hot summer, The Peking Olympic Games and we will meet in the Colloquium!**

We have to urge and encourage you to send your abstracts, make your registration (if you have not made yet) and pay the registration fees. Please take into consideration that these events serve as the base of the successful organisation of our programme.

**Deadlines**

- **Late registration period from 1st July:** you can fill up and send on-line (or as attached doc. format) the Late registration form which contain all further essential data! Please, click on the Registration and fill the formula.

*Fees:* **165 Euros for students** and **220 Euros for non-student** participants.  
You will get an automatic answer about the start of your process and two confirmation letters within a few days (first from Maria Toth-Ronkay on behalf of the Scientific Committee and one from the Altagra Office to start the payment process).

- **Abstract submission date has been slightly postponed: the final deadline to arrive the abstracts 15th July**, the abstracts arrived after this final deadline will not be included into the „Book of Abstracts” and can be published only as supplementary pages.

- **The scientific program** will be available on the homepage soon, based on the accepted abstracts, but the final schedule will be ready only in August when all payments arrived.

The abstracts have been reviewing by the Scientific Committee, all accepted abstracts arrived until 1st July will be sent back for checking **during this week (between 1st and 5th July)**. Please check them carefully and send back to [maria.ronkay@gmail.com](mailto:maria.ronkay@gmail.com), as soon as possible.

On behalf of the Organizing and Scientific Committee,

Yours,

Mária Tóth-Ronkay
