

*26th Mustelid Colloquium*  
*28-31 August 2008, Budapest, Hungary*

## **Presentation guide**

### **1. Instructions to the Abstract**

Please keep strictly the deadlines!

**Deadline for abstracts: 31st May 2008.**

All abstracts of registered topics will be published in the Abstract volume of the Colloquium.

- Abstracts will be reviewed by the Scientific Committee and send back for corrections to the author if necessary;

- After the Late registration, 30. June 2008, the abstracts will not be published in the Abstract Volume because of the typography process (type-setting, proof-reading, etc.).

Please read all instructions before submitting your abstracts.

The text should be concise and must contain substantial information. Do not use abbreviations in the title of the abstract.

#### ***Main requirements:***

(a) abstract body should not exceed 250 words; file format should be MS-Word.doc or .rtf; font - Times New Roman 12, normal, single line spacing.

(b) author's name first, then the coauthors in alphabetical order; font- Times New Roman 12, bold

(c) mail contact of all authors must be centered and place under and middle position the title; the font used is Times New Roman 10, italicized;

#### ***Abstract submission:***

Please send your Abstract as attached file to Mária Tóth (maria.ronkay@gmail.com) and write into the Subject: abstract and your name, e.g. abstractpeterpallagi.

## **2. Oral presentation**

The planned time for the oral presentations is about **20 minutes (including the 5 minutes discussion)** depending on the number of the oral presentations.

## **3. Poster**

A board of **115-120 cm (width) x 85-90 cm (height)** will be accepted for a poster. The A4 format copies added to each poster would be very welcome.

**Please edit your presentations (oral and poster) in Microsoft Office PowerPoint (.ppt) format.** The technical facilities for the .ppt presentations (computer and projector) will be provided. If you need any additional tools, please sign it on the registration formula.
